

Case Study: Zenith Contractors

Local Office Weekly Clean

Client: Local Coventry based business

Project: Weekly office clean

Contract Period: Ongoing

Project Description

Zenith Contractors have an ongoing contract to complete a weekly clean for a local Coventry based business.

Working around the schedule of the workforce, Zenith clean after 5pm, allowing for little disruption to the day-to-day operation of the business. As part of their routine clean, the Zenith team vacuum, mop, dust and sanitise all office, communal kitchen and toilet facilities. Thorough in all they do, Zenith deliver a high level of service, cleaning everything from floors to door handles.

The team also complete additional cleaning should the office require it for special visits or events, offering a flexible and reliable service.

Zenith won the contract on their 'task cleaning' basis, taking into account all items needing to be cleaned and adhering to their quote.

The cleaning teams operate within the Midlands areas. Primarily focussed on Warwickshire, East Midlands and South Midlands, Zenith deliver a range of contracted services to all local businesses.
