

It is the policy of Zenith Contract Services to ensure the continual improvement of our overall performance, and to satisfy the needs and expectations of our Customers.

We are committed to satisfying statutory, regulatory and other applicable requirements.

To achieve this we operate a Quality & Environmental Management System which satisfies the requirement of ISO 9001:2015.

We are committed to the continual improvement of our Quality & Environmental Management System.

Adherence to this Quality Policy involves all of the Company's activities and their effects as defined by the scope of our Quality & Environmental Management System .

We ensure:

- The Quality Policy is understood, implemented and maintained at all levels within the Company.
- The Quality Policy includes the setting and publication of our objectives.
- The Quality Policy is publicly available.

The Managing Director has the ultimate responsibility for the effective operation of the Quality & Environmental Management System and ensuring a commitment to its continual improvement.

The Managing Director will, regularly review this Quality Policy, and its application to ensure its adequacy and that it remains compliant with applicable standards and requirements.
